Dear Emily,

Thank you for your message and for accepting service. I strongly disagree with your assertions and mischaracterizations about my Complaint, and have absolutely no intention of withdrawing it. It is neither "meritless", nor sanctionable. The allegations speak for themselves, though I am dismayed that you have taken this stance to attempt to threaten me, a victim of severe sexual abuse and harassment perpetrated by your client, Kera Bolonik.

Please see attached a prepared Notice of Lawsuit and Request to Waive Service form and a copy of the Complaint.

I am open to negotiation if your client wishes to consider resolving this without litigation.

Regards,  
Bruce
